SUPER CLEANER 50800

Ready To Use

USDA Approved Industrial Strength VOC COMPLIANT-Anti Microbial

Shield **SUPER CLEANER** is especially formulated for marine, commercial and industrial use. It is a biodegradable, USDA approved cleaner, composed of surfactants, chelators, water soluble solvents, silicates, surfactants and water softeners. It is not harmful to finishes but should be wiped or rinsed off.

Shield **SUPER CLEANER** is fast and effective on fiberglass, vinyl, canvas and woodwork. Most common stains, inks and soiled spots. This all-purpose cleaner can also be used on most surfaces including, but not limited to, plastics, chrome, stainless, porcelain, tile and linoleum. It will also remove mildew and black run-off stains caused by aluminum oxidation. It is great for recreational vehicles and cleaning algae from boat bottoms.

Shield **SUPER CLEANER** Concentrate can be purchased in 1-gallon-5 gallon or 55 gallon drums. Shield **SUPER CLEANER** is powerful one shot cleaning! Its cleaning action has been widely used in automotive, institutional and industrial markets. Maintenance cleaning and degreasing in factories, apartments, schools, nursing homes, printing shops, offices, food markets and processing plants, restrooms, ceramic tile, kitchen's grill hoods, freezers, exhaust fans and tables. Restaurants, fast foods, motels, tile floors, stainless steel tables, appliances and countertops.

INDUSTRIAL AND COMMERCIAL:

Light and heavy equipment, machinery, cement, masonry surfaces, metal tools, food processing equipment, fans, metal and vinyl siding, tanks and floors.

RV AND MARINE:

Removes black streaks from RVs. Cleans fiberglass and aluminum marine craft. USDA approved as a general agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs. Surface must be rinsed when used on food contact surface.
